

Alaska Small Business Development Center

UAA BUSINESS ENTERPRISE INSTITUTE

Class Description:

Are you thinking about starting your own business? This workshop was built for you! We will cover basic issues faced when starting a small business such as business licensing, legal forms of business, business record-keeping, hiring employees, business planning and access to financing. Let the SBDC help guide you through the process of starting a small business.

Starting a Business – Seward at AVTEC, room will be posted at the old job center door.

Date: Wednesday, 2/7/2018 11:30 AM – 1:00 PM

Send an email to bryan.zak@aksbdc.com to register or text 223-6681

Status: Open - 13 places remaining

Location: [AVTEC conference room](#)

Description:

Are you thinking about starting your own business? This free workshop was built for you! We will cover loan programs, basic issues faced when starting a small business such as business licensing, legal forms of business, business record-keeping, hiring employees, business planning and access to financing. Let the SBDC help guide you through the process of starting a small business.

The Business Advisor will also be available after this workshop to provide free individual one-on-one confidential advising. Please email Bryan Zak at bryan.zak@aksbdc.org to schedule an appointment.
